DRRT'S GLOBAL INVESTOR
LOSS RECOVERY

TUESDAY, MARCH 23

(11:00 AM – 1:00PM ET/ 4:00PM – 6:00PM CET)

**WHISTLEBLOWERS AND REPORTERS:
IMPORTANCE OF ACCESS TO INFORMATION**

HIGHLIGHTED SPEAKER:

JONATHAN TAYLOR

(FORMER HEAD OF LEGAL AND WHISTLEBLOWER AT SBM OFFSHORE)

Jonathan Taylor's remarkable journey in exposing the corrupt practices of SBM Offshore has had major repercussions with him having a valid claim as being the person who pushed the first domino which led to the political crisis which came with the collapse of the Workers' Party in Brazil, the impeachment of Dilma Rousseff, the incarceration of President Lula and with it the permanent changing of the political landscape there. The imprisonment of other high-ranking politicians and businessmen alike for various misdemeanors relating to corruption in what is the world's fifth biggest nation followed, as did the resignation of the entire board of Petrobras and a fall in its market capitalization by at one point over US\$ 300 Billion.

SPEAKERS:

Georgina Halford-Hall (WhistleblowersUK)

John Kostyack (National Whistleblower Center)

The Lord Cromwell, Godfrey John Bewicke-Copley, 7th Baron of Cromwell

(House of Lords of the United Kingdom)

Tom Warren (BuzzFeed News)
